

CONFERENCE EXHIBITORS

Abbott

Abbott

Abbott is a global healthcare leader that helps people live more fully at all stages of life. Our portfolio of life-changing technologies spans the spectrum of healthcare, with leading businesses and products in diagnostics, medical devices, nutritional and branded generic medicines. Our 109,000 colleagues serve people in more than 160 countries.

Be Smart for Kids

Be SMART: A physician's resource to normalize conversation about kids, guns, and safety. Each year in the United States, nearly 350 children ages 17 and under gain access to a firearm and unintentionally shoot themselves or someone else. Every year, nearly 700 children, 17 and under, die by suicide with a gun. (partner with Everytown for Gun Safety)

BioMarin Pharmaceutical Inc.

BioMarin is a world leader in developing and commercializing innovative therapies for rare diseases driven by genetic causes. BioMarin remains steadfast to its original mission—to bring new treatments to market that will make a big impact on small patient populations. Visit www.biomarin.com to learn more.

Catholic Charities Maine

Catholic Charities Maine provides a wide variety of services to individuals and families of all faiths from locations throughout Maine. Our Behavioral Health staff are dedicated individuals with experience working with children, adults and families. For more information visit our table or call 207-453-4367.

Children's
Oral Health
Network
of Maine

The Children's Oral Health Network of Maine

The Children's Oral Health Network table offers the opportunity to share your experiences and challenges related to children's oral health, learn more about resources and supports available to help you integrate oral health into your practice, and discuss ways to get involved in the network's collective action.

FASD - Fetal Alcohol Spectrum Disorders Program

FASD Maine is the first group in our state for people with issues from prenatal exposure to alcohol, and the people who love, care, and advocate for them. For improved life outcomes, early, accurate diagnosis and FASD-informed supports are critical. To schedule Grand Rounds or other training for physicians or behavioral health professionals, please contact us through FASDMaine.org

From the First Tooth

From the First Tooth (FTFT) is a Maine-based statewide children's oral health initiative funded by the Children's Oral Health Network of Maine. FTFT aims to improve the oral health of Maine's children by implementing an evidence-based preventive oral health approach in the medical home.

CONFERENCE EXHIBITORS

GSK

GSK unites science, technology and talent to get ahead of disease together. We prevent and treat disease with vaccines, specialty and general medicines.

Help Me Grow - State of Maine

Help Me Grow Maine is a free service available to children up to eight years of age and their families. Help Me Grow Maine connects you to information and services about child development and community resources. In partnership with 2-1-1 Maine, any parent, caregiver, or provider can call for support.

Let's Go!

Let's Go! is a community engagement initiative working with communities to create environments that support healthy choices. Evidence-based strategies are used to promote policy, systems, and environmental changes that facilitate healthy eating and active living (HEAL) in early care and education programs, schools, out-of-school programs and health care practices in Maine and Carroll County, New Hampshire.

ME CDC Childhood Lead Poisoning Prevention Unit

ME CDC Childhood Lead Poisoning Prevention Unit. Our program has components of primary and secondary prevention to lead; lead testing and advice for families and providers.

Maine Gun Safety Coalition Foundation

Maine Gun Safety Coalition Foundation works to protect our families. The Pediatricians Program trains pediatric healthcare providers on how to best discuss gun storage with parents. The Community Speakers Program offers education to groups interested in improving gun safety in Maine. For information on our biennial Gun Give Back Day and Free Gun Locks, visit: <https://www.mainegunsafety.org/>

Maine Parent Federation

Maine Parent Federation (MPF), is a private non-profit organization. MPF provides information, referral, support, and training to parents of children with disabilities or special health care needs and the professionals who work with these families through numerous grant-funded projects. Our services are offered at no cost to parents and are available statewide

Maine Pediatric & Behavioral Health Partnership

Maine Pediatric & Behavioral Health Partnership increases access to psychiatry and behavioral health professionals by expanding the ability of pediatric primary care providers to detect, assess, treat and refer children with mild to moderate behavioral health needs in their practices through free consultations, trainings and resources.

April 29th and 30th, 2023

CONFERENCE EXHIBITORS

Maine TransNet

MaineTransNet is a transgender led community organization that provides peer-to-peer support groups, youth mentorship, social and community events, and advocacy for the transgender community across Maine, and trains medical, mental health, and social service providers on transgender cultural competency.

Mead Johnson Nutrition

Mead Johnson Nutrition (MJN)/Reckitt has combined state-of-the-art research, scientific partnerships, and commitment to the highest quality and nutritional standards. Our Enfa portfolio and innovations are trusted by parents and healthcare professionals to support growing families at every stage of development. To explore our portfolio of tailored nutrition, visit www.hcp.meadjohnson.com

Merck Vaccine Division

Maine Dairy & Nutrition Council

Maine Dairy and Nutrition Council works to bring the story of dairy to Mainers - the nutritional benefits, how to use it in the kitchen, the farmers and their practices, the land they conserve, and, of course, the cows we all love so much.

Maine Public Health Association

Maine Public Health Association is a statewide, non-profit membership organization that promotes a healthy Maine through advocacy, education, community connection, and coalition-building. Our mission is to improve and sustain the health and well-being of all people in Maine through health promotion, disease prevention, and the advancement of health equity.

PCC Pediatric EHR Solutions

PCC Pediatric EHR Solutions is a Benefit Corporation with 40+ years of experience working exclusively to meet the EHR software and service needs of independent pediatricians. Since 1983, we have built tools, provided consulting, and supported to pediatric practices who seek to improve the health of their patients and improve their bottom lines

Pfizer Vaccines

Pfizer – Breakthroughs that change patients' lives.

CONFERENCE EXHIBITORS
